

Lecture Logistics

Instructors:

Section 1 - Environmental Engineering: Asst. Prof. Dr. Ahmet Selman BOZKIR

Section 2 - Civil Engineering: Res. Asst. Dr. Selma DILEK

Course website: <https://web.cs.hacettepe.edu.tr/muh101/>

INTRODUCTION

Dear MUH101 Students,

We are so excited to get started with the **Introduction to Programming** course this semester. Our lectures will be conducted online until further notice. You are expected to follow all correspondence on our [Hacettepe University Digital Learning Platform](https://web.cs.hacettepe.edu.tr/muh101/) regularly, as all course announcements and materials will be posted there. Course materials and schedule will additionally be posted on the course website <https://web.cs.hacettepe.edu.tr/muh101/>. You are responsible for following and being aware of all announcements posted on both platforms.

LECTURE LOGISTICS

The lectures will be conducted online until further notice, as follows.

Online lecture session link: [MS Teams Meeting Link](#)

MS TEAMS DOWNLOAD AND TEAM JOINING INSTRUCTIONS

We will use [Microsoft Teams for Education](#) for online lectures, so please install this software on your computer or use the online Web application by **signing in to your Office 365 account using your hacettepe.edu.tr e-mail address:** **<accountname>@hacettepe.edu.tr.**

Empower students and educators with Microsoft Teams

Finally, there's a better way to connect the dots between in-person and remote learning. Teams brings everyone and everything together in one powerful communication app for schools—and it's free for students and teachers of all grade levels with a valid email address.
